How to use this workbook

A small 30-day workbook for you and your business.

Maybe you know the feeling that you have already talked to everyone you know. That is exactly what this workbook is about.

Your contact list is finite. Your network is not. Every day, new people, encounters and possibilities can come in.

This workbook helps you look at your business from a different angle: where you stand right now, and where a lot of potential may still be waiting for you. You do not have to do everything at once, and you do not have to turn your whole business upside down. Maybe you simply discover a few possibilities you did not have on your radar yet.

Your path through the workbook

1 **Take stock** pp. 3–5
Where you stand, what you want to build and where your biggest lever is. Once, calmly.

2 **Look at your network and visibility** pp. 6–9
Who is already around you, what people should know you for and what happens after they notice.

3 **Get into real conversations** pp. 10–13
Movement, closing and support. Conversation starters you can use as they are.

4 **See your skills and assets** pp. 14–16
What you have already built and what you would like to grow.

5 **Make your 30-day plan** pp. 17–19
Three actions, a daily tracker and a log for your conversations.

6 **Reflect and look back** pp. 20–21
A short check-in every week, and a proper look back after 30 days.

MY 30 DAYS

Start date	Finish date	Someone who will check in with me

Good to know

Plan about an hour for the first sit-down (pages 3 to 16). After that, ten minutes a day is enough. Use a pencil, answer with the first thing that comes up and skip what does not fit. There are no wrong answers, only information about where you are.

MY STARTING POINT

Where do I stand right now?

Before you decide what to do next, take an honest look at where you are right now. Write the first thing that comes up.

01 What is already going well in my business?

02 Where do I feel stuck at the moment?

03 What is on my mind the most right now?

04 What do I want to change in the next 30 days?

MY GOAL

What do I actually want to build?

- [ ] A little extra income
- [ ] A second income
- [ ] Reduce my working hours
- [ ] Replace my main job
- [ ] Self-employed full time
- [ ] A large organisation

MY PERSONAL GOAL

Why do I want this?

What would change in my life?

In 30 days, what would make me say “that was worth it”?

MY NEXT TARGET LEVEL

- [ ] Target 1
- [ ] Target 2
- [ ] Target 3
- [ ] Target 4 or beyond

Your onboarding map ended at Target 3, your first real foundation. Where do you want to go from there?

What would be my next step toward it?

DIFFERENT GOALS. DIFFERENT MOVEMENT.

Where is my chain breaking right now?

Not everything at once. Find out where your biggest lever is. Mark each link from 1 (stuck) to 10 (flowing).

	1	2	3	4	5	6	7	8	9	10
NETWORK p. 6 Do I regularly meet new people?	○	○	○	○	○	○	○	○	○	○
VISIBILITY p. 8 Do people know who I am and what I do?	○	○	○	○	○	○	○	○	○	○
ATTENTION p. 9 Do people react, reply, ask questions?	○	○	○	○	○	○	○	○	○	○
MOVEMENT p. 10 Do I actually start real conversations?	○	○	○	○	○	○	○	○	○	○
CLOSING p. 12 Do I invite people to decide?	○	○	○	○	○	○	○	○	○	○
SUPPORT p. 13 Do I stay with people after their yes?	○	○	○	○	○	○	○	○	○	○

The page next to each link shows where that part is covered in this workbook. Your lowest number is usually your biggest lever. Start there, not everywhere.

MY LOWEST LINK IS

MY BIGGEST LEVER RIGHT NOW IS

Where can new relationships begin?

○ Inner ring: spaces I am already in ○ Outer ring: spaces I could step into

Three spaces I want to enter more consciously in the next 30 days:

01 _____

02 _____

03 _____

Your contact list shows who you know today. Your network also includes the people you will meet tomorrow.

Start with who is already here

Write down ten people you have not spoken to in a while, or never got around to. Do not judge who is "right" for what. Just names, and one honest curiosity about each.

	NAME	HOW WE ARE CONNECTED	WHAT I AM CURIOUS ABOUT	FIRST SMALL STEP
01				
02

05				
06				
07

A good first message is a real question, not a pitch. "How are you actually doing?" opens more doors than any explanation.

What should people know you for?

Circle the topics you would like to show more of.

PERSONALITY · INTERESTS · VALUES · LIFESTYLE · EXPERIENCES · EXPERTISE · PRODUCTS · BUSINESS

My three core topics:

01 _____

02 _____

03 _____

What would I like to show more often?

_____

_____

_____

What might people not know about me yet?

_____

_____

_____

PEOPLE GET TO KNOW YOU FIRST.

What should happen next?

Visibility creates attention. What matters is what you do with it. The first four rows are examples. Make them yours.

I POST OR DO	RESPONSE I HOPE FOR	MY NEXT STEP
Story	Reply / DM	Start a conversation
Product content	Interest	Understand their needs
Business content	Questions	Show the possibility
Poll	Reaction	Move into a personal conversation

Keep it honest

Label advertising clearly, for example “Advertisement | RINGANA Partner”. Only share what is verified, with no health promises and no income promises. When in doubt, ask your mentor before you post.

VISIBILITY + MOVEMENT CAN BECOME BUSINESS.

How many real conversations am I having?

A real conversation is a two-way exchange, not a broadcast. Count what actually happened. Fill in the table at the end of each week.

	WEEK 1	WEEK 2	WEEK 3	WEEK 4	TOTAL
New conversations					
Consultations					
Follow-ups					
Business conversations					
Decisions					

Where was I really in motion, and where did I only wait?

Not just posting.
Not just planning.
Not just consuming.

GETTING INTO ACTION.

Conversation starters

Ask, listen, then invite. Never explain more than the other person asked for. Use these as they are, or better, rewrite them in your own words.

RECONNECTING

"I was just thinking of you. How are you actually doing?"

"I saw your story about [topic] and had to write to you."

AFTER A REPLY OR REACTION

"Thank you for your message! What caught your interest?"

"Tell me more. What are you looking for at the moment?"

INVITING TO A FRESH DATE

"I am trying a few new things with friends this weekend. Want to come by? Two of us at a kitchen table is already a Fresh Date."

WHEN SOMEONE IS UNSURE

"That makes sense. What would help you decide?"

"Take your time. Shall I check in next week, or would you rather come back to me?"

WHEN THE ANSWER IS NO

"Thank you for being so honest. The door stays open."

FOLLOWING UP, WITHOUT PRESSURE

"No pressure at all. I just wondered how it felt after trying it."

"Is now still a good time to talk, or shall we pick it up later?"

IN MY OWN WORDS

Where can I be braver in guiding people to a decision?

“Would you like to try it?”

“Shall I put something together for you?”

“Would you like to take a closer look at the partnership?”

Which question comes easily to me?

Where do I get unsure?

What would a clear invitation sound like in MY words?

A clear “not now” is a good answer. It keeps the door open and respects the other person’s timing.

MY WORDING

After the yes, the relationship begins.

CUSTOMERS

How do I support people after their order?

When do I check in?

How do I ask for feedback?

How do I notice new needs?

What do I do so customers become fans?

PARTNERS

Why are they starting?

What do they want? What is their goal?

What are their strengths?

What do they need?

What is their next sensible step?

CUSTOMER LOYALTY + PARTNER DEVELOPMENT = SUSTAINABLE GROWTH

MY SKILLSET

The bigger the goal, the bigger the skillset.

Not more hours. More skills. Rate yourself from 1 (just starting) to 10 (confident).

	1	2	3	4	5	6	7	8	9	10
RECOMMENDING PRODUCTS	○	○	○	○	○	○	○	○	○	○
ADVISING CUSTOMERS	○	○	○	○	○	○	○	○	○	○
MAKING CLEAR OFFERS	○	○	○	○	○	○	○	○	○	○
BECOMING VISIBLE	○	○	○	○	○	○	○	○	○	○
BUILDING A NETWORK	○	○	○	○	○	○	○	○	○	○
INVITING PARTNERS	○	○	○	○	○	○	○	○	○	○
SUPPORTING PARTNERS	○	○	○	○	○	○	○	○	○	○
CREATING STRUCTURES	○	○	○	○	○	○	○	○	○	○
DEVELOPING LEADERS	○	○	○	○	○	○	○	○	○	○

The one skill I want to consciously develop in the next 90 days:

What exactly will I do for it?

YOUR ASSETS

You are not only building revenue.

SKILLS

NETWORK

RELATIONSHIPS

PERSONAL BRAND

REACH

LEADERSHIP

CONFIDENCE

OPPORTUNITIES

Which of these have I already built?

What has grown with me over the past months or years?

What could still be valuable to me in five or ten years?

YOUR ASSETS

This grows with you.

Where do I already see development today that I could not have seen when I started my business?

Some doors only open because you set off first.

MY PLAN

MY PLAN

My conversation log

Keep a short note after every real conversation. The next step is the most important column. It is how conversations turn into relationships.

4-WEEK CHECK-IN

Stay in motion.

And then it begins again.

What did I actually do?

What worked?

What did I learn about my business?

Where did I become braver?

Which skill did I develop?

Which new people came into my network?

Where is my next lever now?

NETWORK → VISIBILITY → ATTENTION → MOVEMENT → CLOSING → SUPPORT → GROWTH

Stuck? Talk to your mentor or join the next team call.

Being stuck is not failing, it is information. Send your mentor one specific question, or bring it to the next team call. You will find the dates in the calendar in the team hub.

YOUR CONTACT LIST IS FINITE. YOUR NETWORK IS NOT.

Trust what is already there.
Make sure something new can happen.
And bring movement in.

You do not need the next secret hack.
You need the next sensible step.
